

REMARKS

The above amendments only became apparent to the undersigned on January 4, 2006 after reviewing the allowed claims after the "Notice of Allowability" was received. The claim amendments made herein are not narrowing amendments and only serve to eliminate the possibility of a lack of antecedent basis for the claim limitations recited in Claims 1 and 7. It is respectfully requested that this amendment be entered before the application is printed as a U.S. Letters Patent document.

Please contact the undersigned at (248) 641-1600 if there are any questions.  
Thank you.

Respectfully submitted,
